

## “Excel-lent” Training Modules

All of these require MS Office Excel 97 or later for Windows  
(Sorry VBA is not available on MS Office for Mac)

All of these require that you allow Macros to be run in Excel

All of these are try before you buy. If they do not run for you or if you simply don't want them then you let me know and the invoice will be adjusted accordingly. Billing occurs only after you are satisfied.
